The Youth Community Outreach Program (Y-COP) provides positive, quality programs led by caring, experienced individuals in a safe and nurturing environment at an affordable rate for working parents. Y-COP program offerings include: after school, summer day camp, Counselor-in-Training, youth development basketball and soccer, teen mentoring, community service, and more. All programs integrate educational, recreational, and social skills development, as well as cultural sensitivity and awareness.

Values, Goals, Objectives: Y-COP Board, Staff, Volunteers strongly believe no person's financial circumstances should deter them from access to quality childcare. Y-COP does not charge the actual cost of programs to parents. Rather, Y-COP solicits donations, grants, supplies, services and equipment from individuals, organizations, local businesses, agencies, and the community. Y-COP collaborates with organizations with similar missions as well.

COMMUNITY PARTNER

Mount Vernon Youth Bureau

Thanks to the generosity of many of our friends and community partners, Y-COP is one of the leading childcare and youth development organizations in Westchester County, serving a diverse population of youth and families in Mount Vernon and neighboring communities. We appreciate your support in helping us realize our mission and commitment to service.

**Cocktails and hors d'oeuvres 6pm - 8pm
followed by Dessert and Awards Presentation
• Entertainment • Open Bar • Dancing**
